

RED CROSS CAMPAIGN.

Mrs. Frank P. Lowry has received the following telegram from Mr. Mackenzie P. Todd, at Louisville, Manager for the Red Cross campaign in Kentucky:

"Louisville, Ky., Dec. 15, 1918.
"Mrs. Frank P. Lowry, Manager Christmas Roll Call, Paris, Ky.
"Again the people of Kentucky have presented to them an opportunity to share in the great cause of mercy, for which the Red Cross stands. It is indeed, a privilege, as the titular manager, I summons you to the service, and through you, I hope to speak to all the people of Kentucky. Surely at this roll call there will be no absent or missing. Let us set for our goal one hundred per cent. membership. In the second Red Cross war fund campaign, Kentucky excelled all other States in the division, and was acclaimed by National Headquarters as one of the banner States of the Union. Let us simply resolve that we will not permit our banner to be lowered. Carry on."
"MACKENZIE P. TODD,
"Manager Christmas Roll Call for Kentucky."

TO ATTEND WAR EXPOSITION.

Chief Promotor of Activities Rudolph Davis left yesterday for Cincinnati to attend the big War Exposition now in progress at Music Hall. Mr. Davis will endeavor to secure two small cannon as souvenirs to place on the pedestals at the foot of the court house steps. He has been in communication with the authorities for several days, and is of the opinion that he will succeed in getting the relics as ornaments. Several others from Paris will attend the War Exposition, but not one of them will be so busy as "Roxie," whose activities in good works are so well known and appreciated in "his home town."
